R&G Import And Export Co., Ltd.

Company Profile

Founded in 2009, Foshan R&G Import And Export Co., Ltd has enlarged its scale from only 5 people to more than 50 staffs in these several years. As a diversified company specializing in development, production and sales, its annual sales keep increasing to be over 10 million US dollar with its great strive.

In recent years, to continue optimizing industrial layout, R&G has established its management operation center in Foshan City, Guangdong Province and its research and development center in Yifeng City of Jiangxi Province. At the same time to improve and enhance the overall strength of enterprises, R&G keep striving to become one of the world's leading manufacturers for ODM and OEM. With the concept of "people first", R&G focus on developing educational toys for kids and children's stationery supplies, such as color dough, jumping clay, water color pens, oil pastels, super slick stick, color pencils and many other handicraft products. R&G has its own brand, "CraftKids" and "DIYBOX", and most of its products win the reward of great design patents and well received at home and abroad. In addition, it has sales authorization for toys and stationery of some famous brand from home and abroad and their products enjoy a great popularity from all over the world. So far, R&G have built up mutual benefit relationship with more than 50 countries, such as USA, UK, Korea, Japan, German, France, Spain, Dubai and etc. At the same time, R&G continue developing its selling online, building its T-mall flagship store and Jingdong flagship store for its two brand "CraftKids" and "DIYBOX" with all its effort and trying to create a much more convenient and easy shopping experience for every customer.

We will keep hardworking and moving, in order to face all kinds of challenge better. Moreover, we will optimize our products and promote our brand home and abroad. Hope that R&G would become more international in the future!
